

Where there is petroleum ,there are feida camps

HUABEI PETROLEUM FEIDA CO.,LTD.

Huabei Petroleum Feida Company Brief Introduction

Huabei Petroleum Cangzhou Feida Co.,Ltd, which is a member of CNPC, is a specialized company for manufacturing field camp with the largest scale and fullest variety in China. For CNPC, SINOPEC and CNOOC, our company is their first choice to purchase high standard camp. We have established fabrication plants in Cangzhou Hebei Province and Kuerle Xinjiang province.

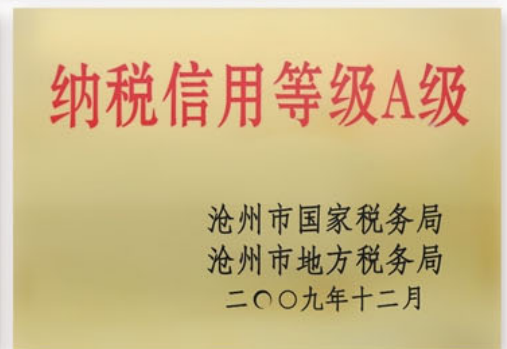

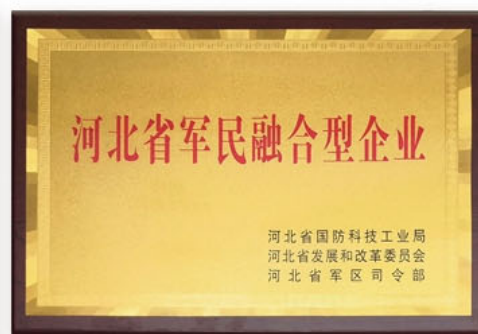

We set up New-type Camp Research & Development Center in Cangzhou headquarter. We have got national patents in folding camp, disassembly and assembly camp, and light steel structure buildings, A number of new technologies are leading the way in camps such as extreme environment camp, bullet-proof camp and Trailer-mounted camp. We have achieved the goal of producing a camp per hour by building up the first domestic semi-automatic production assembly line in Cangzhou headquarter. Our annual production is more than 4000 camps.

Seeking survival and development through high quality and high technology

The domestic market share in the industry of our camps is up to 80% in recent years and we enjoy a high reputation. Following with construction teams of CNPC、SINOPEC and CNOOC, Feida series products have been sold to nearly 50 countries and regions in Asia, Africa, Europe, and America. Our products are also sold to world famous petroleum companies, such as Chevron and Weatherford company of the United States, Total, Dutch Shell, Saudi Aramco company and so on.

We promise to focus on users. Trying to save every penny for the customers and providing users with satisfactory products and services are our consistent commitment. We were awarded the customer satisfactory certificate by China Quality Management Association in 2010. "Professional Feida, World Feida." Feida camp will supply specialized product and services for client with a new international image in the world.
